1 WHAT WE DO...

GOportraits is the mobile photography division of CPI Corp (<http://www.cpicorp.com/>). We offer on-location photography saving customers hundreds—even thousands of dollars. GOportraits specializes in capturing special occasions and creating memories that will last a lifetime. Our professional photographers focus on client satisfaction and quality performance. GOportraits is backed by a network of over 3,000 studios for selection and delivery of your portraits.

2 HOW WE PRICE OUR SERVICES...

We book appointments by the hour and offer a number of different products to best fit your needs. You decide how much time you need from us. From individual portrait sessions to professional wedding packages that fit every need and budget (starting at \$149.99), you have the freedom to pick your look and environment. You also have the option of multiple photo collection choices that can save you up to 70% off professional print prices. In addition we offer high-resolution CDs of your event at fantastic prices.

3 DEPOSITS...

In order to book an appointment, a \$50.00 per hour deposit is required. Your deposit will be applied to your purchase. Deposits must be made two weeks prior to your appointment. After your session, order your portraits at one of our studios conveniently located near you (<http://www.cpicorp.com/>). If your event is cancelled with 48 hours notice of the event, your deposits can be used for a new event or for portrait services at one of our studios.
